SANGRE DE CRISTO H.O.G. CHAPTER #2747

November/December 2011

Director's Report

Stevie Ray

It's that time of year again where our riding season tends to wind down somewhat. However, there are still plenty of activities going on; toy runs, bike nights, etc. so I hope everyone takes advantage of every opportunity to get out there and ride.

The November chapter ride is our annual Veterans Memorial ride. We meet at the dealership and ride in formation to the SF National Cemetery for a brief ceremony to pay our respects to our veterans. From there we ride to the Sopaipilla Factory in Pojoaque for lunch and to honor our chapter members who have served in our military. I ask each of our members to please make every effort to attend this special ride and lunch. It speaks volumes to see our Harley's stretched out in a long procession to show our pride and appreciation for these amazing folks.

This will also be where we take nominations for the 2012 board members. I look forward to seeing who will be willing to step forward and take up the reins and provide leadership for the coming year. You must be present to be nominated and to accept or decline the nomination. We have a real wealth of capable folks within the chapter, many with outstanding leadership qualities so I sincerely hope you will consider meeting the challenge. For those interested, any current board member can provide you with the various job descriptions for the different positions and answer questions to help you make your choice so please don't hesitate to ask.

Harley UP!

Assistant Director's Report

Jody

It seems like just yesterday we were just pulling the bikes out of winter storage and getting them ready for summer riding and here we are getting ready to put them away for the winter, it just isn't fair. But, according to the weather reports for this winter, it is predicted to be a milder winter than last years, I hope for moisture sake this isn't true, but warm wise, ABSOLUTELY, we don't need another winter with below zero temps, at least I don't. With that said and this being our last news letter for the year and for this administration, I want to thank all of you that stepped up during our events, including the dog burns for the dealership. I want to thank all of you who supported me through out the year as you Assistant Director and I hope I didn't disappoint. It was a busy year and it went by in the blink of an eye, but it was a fun year. I want to wish next years officers the best of luck. As you all know, next month is our Veteran's Day ride and when we go to the Sopaipilla Factory for lunch, we will be taking nominations for new board members, please have your nominations ready and remember that if you nominate someone, they have to be present at the meeting and either accept or decline the nomination.

It has been rather scary lately hearing about all of the bike crashes, mostly in Albuquerque, with a few around other parts of the state, please be extra careful this year for the toy runs, it appears we get a lot of riders that only seem to come out for these types of events and then get over zealous on the throttle after downing a few too many of their favorite beverage. Please ride responsibly and keep an eye out for the other person.

I look forward to seeing you all at our next monthly meeting and hopefully the weather will cooperate with us. Keep the rubber side down and start dreaming about those long rides next summer.
Time for this old grizzly to go hibernate,

Buenos nachos. :)

Activities Officer Report

Lucy

I want to thank everyone for a great year and it seems like we just started getting our feet wet and it's time to elect new officers, where did the summer go? I want to thank everyone for a great summer and for all the participants in all of our fun rides this summer. I want to remind everyone that tickets for the Christmas Steak Dinner at the Elks Lodge in December will be sold at our next meeting. The price will be \$10.00 for members and \$15.00 for none members. The remaining schedule for this year is as follows:

November 13, 2011 - Meet at the dealership at 9:00AM, leave the dealership by 9:30AM and ride to the National Cemetery to pay our respects to all who have served and any family members that are buried with the veteran. After the National Cemetery, we will be riding to the Sopaipilla Factory in Pojoaque, we need to be at the restaurant by 11:00AM. It is crucial that we arrive on time as they don't have an area separate from the rest of the restaurant and they also tend to get pretty busy, so we need to be there as a group by 11:00.

Christmas Steak Dinner, Saturday, December 17,- Elks Lodge on Old Pecos Highway.
The time for arrival is 6:30PM and we hope to start eating by 7:00PM
Ticket must be purchased in advance- none sold at door.

(Activities continued)

December 17, 2011 - Christmas Steak Dinner, Elks Lodge on Old Pecos Highway. The time for arrival is 6:30PM and we hope to start eating by 7:00PM, this should allow time for the staff at the dealership to get off work and join us. Again, remember tickets will be sold in advance for this HOG event, this will allow us to provide the Elks with a pretty close estimate of how many will be attending so they know how much food to prepare. Tickets will NOT be sold at the door, so make sure you get your tickets in advance.
Thank you all again for a great year, be safe.

Lucy Chavez-Ortiz
Activities Coordinator.

Membership Report

Jeanne

On Saturday, October 15, four of us met and headed down I-25 for Las Cruces and Capture the Flag. It was not as cold as I thought it would be, and it was actually pretty nice outside. The ride down was great. It got warmer the more we headed south, and we got to Barnett's earlier than I expected. Three chapter members had ridden down on Friday, so we met up with them at the dealership. Barnett's had 6' long sandwiches for us for lunch, and at 1:30p.m. it was announced that Turquoise Trail had captured the flag. After door prizes, several of us rode out for the Apple Festival in High Rolls. It was so warm I was able to ride with just the tank top. I was loving it. We got back to Las Cruces around 6 I guess, and not long after we had dinner and turned in for the night. Breakfast the next morning at Cracker Barrel (LOVE CB) and home. It was a great weekend with great friends. I always love these type of outings because I always feel like I bond a little bit more with people each time.

Look forward to riding with all of you again soon.
